The ORHS athletic complex hosts numerous high school sporting events as well as a large number of youth community sports leagues during the entire year. These events attract many spectators and fans not only from El Dorado Hills, but from a wide variety of visiting schools and communities. The ORHS stadium scoreboard greets each visitor entering the athletic complex and is a focal point for those sitting in the stands. It is literally viewed by 10's of thousands of people every month!

GYMNASIUM SCOREBOARD PRICING

- \$2,400 for a 3 year commitment or \$800/yr
- Can purchase 1 spot for \$1,000 a year

As part of the expansion to the ORHS gymnasium in 2014, the Foundation purchased and installed a state of the art video scoreboard. The gym is used nearly every day of the year and hosts boys' and girls' basketball games, boys' and girls' volleyball matches, wrestling matches and many special events like musicals and band competitions.

In addition to great advertising, the proceeds from both the stadium and gym scoreboards are used to further the Foundation's efforts in supporting programs and facilities at Oak Ridge with a special emphasis on technology and science.

To support ORHS Foundation and get your business advertising on either of these scoreboards, contact Mark Denholm at markdenholm@yahoo.com or 916-837-9777
